Educational Studies & Elementary Education
Library Resource Guide

Databases & Indexes

NOTE: When full-text is not available from one of the Library’s databases, please use our Interlibrary Loan (ILL) service to obtain materials from other institutions. ILL forms are available from the Library Reference Desk. Please allow up to two weeks for delivery of ILL items.

Subject Specific

• **Education Index**
  Ref Z5813 .E23
  June 1950 – April 2005
  Cumulative index of education publications including periodicals, yearbooks, and monographs covering administration and supervision, pre-school through higher and adult education, teacher education, vocational education, counseling, teaching methods and curriculum, religious education, special education, educational research, and related fields such as psychology and mental health, science and mathematics, and the social sciences as they relate to education.

• **ERIC (Education Resources Information Center)** (via NC LIVE; available from the Library's Databases page)
  Database of journal articles and other education-related materials including books, research syntheses, conference reports, technical reports, and policy papers from scholarly organizations, professional associations, research centers, policy organizations, university presses, the U.S. Department of Education and other federal agencies, and state and local agencies.
  Also available on the Web at [http://www.eric.ed.gov/](http://www.eric.ed.gov/)

• **JSTOR** (available from the Library's Databases page)
  Interdisciplinary, searchable, full-text archive of almost 1,000 academic journals covering the humanities, social sciences, and life sciences. Journals are always included from volume 1, issue 1 and include previous and related titles. The most recently published issues (past 3-5 years) are not available. However, users can search this material and link to the publisher's site or other online source for access. New content is added on a regular basis as it is made available by the publisher. Advanced search options include author name, title, abstract, and caption for photographs and other images.

• **ProQuest (Education, Religion)** (available from the Library's Databases page)
  Access to over 760 educational publications, including more than 600 of the titles in full text.
  Selected articles also include all the charts, tables, diagrams, and other graphical elements.
  Coverage includes not only the literature on primary, secondary, and higher education but also special education, home schooling, adult education, and hundreds of related topics.

• **Teacher Reference Center** (available from the Library’s Databases page)
  Provides indexing and abstracts for more than 270 of the most popular teacher and administrator journals and magazines to assist professional educators.

Related Areas

• **Academic Search Premier** (via NC LIVE; available from the Library’s Databases page)
  A multi-disciplinary full text database containing full text for more than 4,500 journals, including more than 3,700 peer-reviewed titles.
• **Health and Psychosocial Instruments (HaPI)**
  Produced by Behavioral Measurement Database Services, HaPI is a comprehensive bibliographic database providing information about behavioral measurement instruments. Information in the database is abstracted from hundreds of leading journals covering health sciences and psychosocial sciences. Additionally, instruments from Industrial/Organizational Behavior and Education are included. Records contained in HaPI provide information on questionnaires, interview schedules, vignettes/scenarios, coding schemes, rating and other scales, checklists, indexes, tests, projective techniques, and more.

• **InfoTrac OneFile** (available from the Library’s Databases page)
  A one-stop source for news and periodical articles on a wide range of topics: business, computers, current events, economics, education, environmental issues, health care, hobbies, humanities, law, literature and art, politics, science, social science, sports, technology, and many general interest topics. Selected full-text and images.

• **MAS Ultra – School Edition** (via NC LIVE; available from the Library’s Databases page)
  Designed specifically for high school libraries, this database contains full text for more than 500 popular, high school magazines as well as more than 360 full text reference books, biographies, and an Image Collection of photos, maps and flags. Color PDFs and expanded full text backfiles (back to 1975) for key magazines.

• **Middle Search Plus** (via NC LIVE; available from the Library’s Databases page)
  Full text for more than 140 popular, middle school magazines. All full text articles included in the database are assigned a reading level indicator (Lexiles). Full text is also available for thousands of biographies and historical essays. An Image Collection of photos, maps and flags is also available.

• **Primary Search** (via NC LIVE; available from the Library’s Databases page)
  Full text for more than 70 popular, magazines for elementary school research. All full text articles included in the database are assigned a reading level indicator (Lexiles), and full text information dates as far back as 1990.

• **PsycINFO** (via NC LIVE; available from the Library's Databases Page)
  From the American Psychological Association (APA), PsycINFO is the largest resource devoted to peer-reviewed literature in behavioral science and mental health. It contains abstracts of scholarly journal articles, book chapters, books, and dissertations. Journal coverage, which spans from 1887 to present, includes international material selected from more than 2,200 periodicals in more than 27 languages.

• **Psychological Abstracts**
  Index of non-evaluative summaries of the periodical and book literature in psychology and related disciplines including tests and testing, human development, and educational psychology.

• **Cambridge Scientific Abstracts - Sociological Abstracts**
  (available from the Library’s Databases page)
  CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences. The database provides abstracts of journal articles and citations to book reviews drawn from over 1,800+ serials publications, and also provides abstracts of books, book chapters, dissertations, and conference papers.
  **NOTE:** Password Required. Please contact a member of the Reference Staff for assistance.

- **SpringerLink**
  Database of *selected* full-text journals in a variety of subject areas including humanities, social sciences and law, and behavioral sciences. (NOTE: Full-text access to reference materials and e-books is NOT available. Full-text access to the most recent 3 – 6 months of journals may also be restricted.)

### E-Books
